

Acheron Valley Watch Inc.

Acheron Valley Watch Inc. is a not for profit community group concerned about the well being of the local communities, natural and rural environments, scenic landscape and cultural heritage of the Acheron Valley/Cathedral Range area, including the Acheron River Catchment.

Acheron Valley Watch engages in activities that strengthen co-operation and communication with planning and decision making bodies, local residents and the broader public.

Acheron Valley Watch:

- ❖ Networks, gathers and disseminates information to enhance public understanding, appreciation of, and involvement in, current local land use and management issues;
- ❖ Conducts AVW group activities to strengthen community spirit and stewardship of the land and its waterways;
- ❖ Promotes responsible land use and management in the local area through a balance of ecological, social and economic considerations.
